We learn from reliable information that last night one of our Sheriffs was diligently looking for a couple of gentlemen that are peddling through our county. We learn that the parties warranted and wanted made a hasty trip to Aberdeen, O., the land of the free and the home of the brave. It would naturally be supposed that representatives or attaches of a reliable business concern would not evade the law to avoid paying a small sum the law requires them to pay to do business. This evasion, however, is in perfect harmony with a peddler's manner of doing business.

Acting Postmaster General Johnson has issued a general order prohibiting all renters of lock-boxes and drawers at Postoffices from using keys not regularly obtained by themselves from their respective Postmasters, and directing that after April 1st each Postmaster shall inform the renters of lock-boxes and drawers that all except regular manufacturers of Postoffice furniture and fixtures are enjoined from making or causing to be made any key or appliance for unlocking or opening any lock-box or drawer in a Postoffice. All persons renting boxes hereafter must agree to these prohibitions.

DAMAGE SUIT.

That of Alfred Forman Now on Trial at Lagrange.

Much interest is centered in the trial of the \$25,000 damage suit brought by Alfred Forman, proprietor of the Villa Ridge Inn of Pewee Valley, against a number of prominent Louisville people, which is now in progress in the Lagrange Circuit Court.

This action grew out of the incident of the Villa Ridge Inn last summer a year ago, when Mr. Forman slapped the face of the Rev. Douglas Forrest, an Episcopal Minister, who had been a guest at the Inn for some time.

An indignation meeting was held and a set of resolutions were adopted denouncing the action of the Inn-keeper.

Mr. Forman then brought suit in the Oldham Circuit Court at Lagrange for \$25,000 against the signers of the denunciatory resolutions.

The plaintiff in the suit is well known in this county, where he has relatives.

Rev. John Barbour, D. D., introduced this talented lady and she immediately struck into the core of her delineation of the old-time dandy.

With sweetest voice and facile countenance her first uttered sentence had not fallen till ripples of laughter gave assurance of appreciation, inspiring her talents and bringing artist and hearer close in communion with a theme ever popular, ever delightful.

Between Miss Barbae's readings the choicest of piano and violin duos were given by Miss Berry and Mr. Bullett which added a special note of variety accentuating the merits of the reader.

The Girls' Magazine Club is to be commended for this evening of unalloyed happiness.

The sum netted was a snug one and will allow additions to their library, which shall further refine these lovely buds just now growing into maidenhood and through it all one could trace the occult genius, the propelling motion—Miss Tordson, the charming Principal of the Girls' High School. Black only.

Dialect readers are born.

The gift to impersonate is inherent and to present these impersonations with truthness and grace are double attractions genius, persuasive and pleasure-giving.
